

BAPM 2012

Bring your Models! Bring your Friends!

View lots of superb railroad models! Bring your models, finished or, *better yet, still in progress!* There is no judging or contest. Instead BAPM provides an opportunity to meet with fellow modelers, share tips and learn new techniques.

All scales, eras, and roads are welcome!

- See plenty of models on display!
- Attend Informative Clinics, including:
 - Weathering Rolling Stock with Acrylics & Airbrushing - Tony Thompson & Richard Hendrickson
 - Modeling Amtrak's California Zephyr (circa 2012) - Bob Rohwer
 - Warbabies and Skirtless Daylights - Modeling the Twilight of SP Steam - Scott Inman
- Our bountiful raffle featuring great prizes from major model railroad manufacturers and from local hobby shops.
